

ANZ Digital Services Help

Login and navigate ANZ Supplemental Account Services

To log into ANZ Supplemental Account Services, go to the Applications menu in ANZ Transactive – Global and click ANZ Liquidity Management.

The Accounts dashboard will be displayed.

You can group accounts by bank name, BIC, country, currency and entity.

The Application Banner appears on every screen.

From here, you can open the main menu, return to your preferred dashboard using the ANZ icon, update your user settings, and access account and interest profile Drafts and Approvals.

Let's take a closer look at user settings. This is where you can manage your language, region, and display settings, view your profile, and log out.

Update your language and region preferences.

View your user profile.

Pick a dashboard to display when you log into the system and click SAVE to update your settings.

Use the Menu to move between features, access reports, and visit Online help for instructional content and videos.

From the Supplemental accounts screen you can create virtual accounts and interest profiles.

Go to the I WANT TO... menu to go to Interest profiles, Context IDs, Closed accounts, Closure requests, Account issuance requests, the Export Centre and your Account Listing.

Let's look at Account Listing.

Click on the Navigate to account detail button to view additional information.

Scroll down to view Transactions, Controlled Accounts and Context IDs.

Click Show Chart to see your account structure visually and click Hide Chart to go back.

Click View Tree to display a tree structure of your virtual accounts and click any account to display additional information.

Group the accounts by country, currency or entity.

Export a summary of the accounts.

Click GO TO EXPORT CENTER.

Find your report and click DOWNLOAD.

And that's it! You now know how to log in and navigate ANZ Supplemental Account Services. For more help, visit the ANZ Digital Services Help Centre.
