

ANZ Digital Services Help

Create Interest Profiles in ANZ Supplemental Account Services

To create interest profiles, click CREATE on the Control Bar in the Supplemental account services screen.

Click CREATE INTEREST PROFILE.

Select an Entity from the drop-down list.

To copy details from an existing Interest Profile, click the Copy from existing selection button and select the interest profile.

Update profile fields as required and click CONTINUE.

Add credit and debit interest details for the profile and click CONTINUE.

Review the details and click SUBMIT to send your request for approval.

Click Go back to interest profiles to go to the Interest profile screen.

The interest profile will be pending approval and can be viewed in the Approvals screen.

The interest profile will be pending approval and can be viewed in the Approvals screen. Click Approvals in the top right corner.

Click My submitted items.

Click Interest profile.

Once it has been approved, it will move to the Processed tab.

And that's it! You now know how to create interest profiles in ANZ Supplemental Account Services. For more help, visit the ANZ Digital Services Help Centre.
