ANZ Transactive Global: Menu

The refreshed **menu** has been updated to support recognition, scanning, navigation and access to features based on your user entitlements.

- View a list of **feature menus**, including Accounts, Payments and Trade Finance.
- Scroll to view other **grouped menus** including Manage, Analysis and Applications.
- Manage your system preferences in your **User toolbar** from the lower section of the menu.
- Click the **Collapse** icon to minimise your menu view.
- Click the **ANZ icon** to return to your full menu view.
- The refreshed menu creates a more **consistent experience** as you move between screens.
