

Confirmation of Payee New Zealand

ANZ Transactive – Global: Confirmation of Payee

Confirmation of Payee checks the bank account details you enter with the account details held by the recipient's bank and displays a match outcome.

Confirmation of Payee is available when:

- A new beneficiary is created,
- An existing beneficiary is edited or,
- Adding an ad-hoc beneficiary to a Domestic payment or template via the Payments menu.

Confirmation of Payee is there to help protect you; it helps you avoid paying the wrong person, adding another layer of protection to help reduce scams and fraud.

- Go to the **Beneficiaries** screen in Payments and click **New**
- Enter beneficiary details and click **Verify Beneficiary Details**
- Possible outcome – **Match**
- Possible outcome – **Partial Match**
- Possible outcome – **No Match**
- Before you click **Continue**, double check the Beneficiary details as an incorrect payment may be difficult to retrieve
- **Payment approvers** can view the Confirmation of Payee outcome by selecting the payment from the Current Payments screen and clicking the beneficiary
- Then click the **Beneficiary Name**
- And the **Outcome** displays
